4. Terms & Conditions

- This quotation is based on information shared by the client.
- Final terms are subject to underwriting review and survey (if applicable).
- Coverage becomes active only after policy issuance and premium payment.
- Any change in risk details may alter the pricing or terms.

This quotation remains valid for **30 days** from the date of issue.

All coverage provided under this quotation is fully governed by the applicable policy terms, conditions, exclusions, and endorsements that will form part of the final issued policy document. The insurer retains the right to request additional documents, clarifications, or risk-related information at any stage of the underwriting process to ensure an accurate assessment of the exposure. This quotation is intended solely for illustrative and informational purposes and should not be interpreted as confirmation of coverage, a binding offer, or a guarantee of premium. Coverage will only take effect upon completion of underwriting formalities, acceptance of terms by the insured, issuance of the official policy schedule and receipt of the required premium payment.
